

January 1<sup>st</sup>, 2017

Westland Greenhouses would like to invite you to participate in our annual fall fundraising program to assist you with raising funds for your school or organization. As a local business we want to reach out to local groups to help with fundraising opportunities.

Our fall fundraising program is very simple and profitable. Westland will design a unique certificate valued at \$25.00 for your school or organization that is redeemable for 3 large fall mums or 6 medium fall mums. Your members sell the coupons to your local community at a cost of \$25.00 (tax included). Westland will make a list of every coupon redeemed at our store, and will send a bill to your organization at the end of the basket season for \$19.50 per redeemed coupon (tax included).

This is a very simple fundraiser because you 1) print and number the coupons and 2) sell them to your community. The customer comes to the greenhouse to pick up the product; eliminating the need for having goods dropped off to your organization and arrangement of pick-up by your fundraising participants.

If your school or organization decides to choose Westland for your holiday fundraising program, simply call Westland and confirm that you would like to participate.

ON BEHALF OF YOUR ORGANIZATION	COUPON	No. <u>    </u>
	<i>This certificate entitles</i>	
9999 Your Street Your Town NOM OHIO	<b>3 Large Fall Mums/6 Small Fall Mums</b>
